2. Categories of personal data processed and legal basis

For the above mentioned purposes, KN may process the following categories of personal data:

- a) Contact information, such as full name, office address, office telephone number, office mobile phone number and office email address of e.g. shippers, consignees, registered users of our IT systems, subcontractors, drivers;
- b) Payment data, such as data necessary for processing payments and fraud prevention, including credit/debit card numbers and other related billing information;

Unless indicated otherwise, the legal basis for the processing of personal data is Article 6 (1) (b), (c) or (f) of the General Data Protection Regulation or - if explicitly provided by KN Partner - the consent (Article 6 (1) (a) of the GDPR.

3. Transfer and disclosure of personal data

The services provided by KN do not, in principle, target the handling (collection, processing, use) of personal data, but the provision of the transportation and logistics services. KN processes the personal data transmitted to us for the provision of our services. KN may transfer personal data to other KN companies, but only if and to the extent such transfer is required for the purposes mentioned above.

KN will only transfer personal data to third parties, if such is needed for performing a contract or if consent from the person concerned has been obtained. If legally permitted to do so, KN may transfer personal data to courts, law enforcement authorities, regulators or attorneys if necessary to comply with the law or for the establishment, exercise or defense of legal claims.

KN retains service providers (so-called data processors), such as hosting or IT maintenance service providers, which only act upon instructions of KN and are contractually bound to act in compliance with applicable data protection laws.

Recipients of personal data may possibly be located in countries outside of the European Economic Area or other countries which ensure an adequate level of protection, in which applicable laws do not offer the same level of data protection as the laws of the respective individual's home country. In such cases and unless permitted otherwise by applicable law, KN takes measures to implement appropriate and suitable safeguards for the protection of personal data by other means.

4. Retention Periods

Unless explicitly indicated otherwise at the time of the collection of KN Partner's personal data (e.g. within an express consent provided by KN Partner), we erase personal data if the retention of the personal data is no longer necessary in relation to the purposes for which they were collected or otherwise processed and no statutory retention obligations under applicable law (such as tax or commercial law) require us to further retain personal data.

5. Right to withdraw consent

In case a KN Partner Contact declared its consent for the processing of certain personal data by KN, the KN Partner has the right to withdraw the consent at any time with future effect, i.e. the withdrawal of the consent does not affect the lawfulness of processing based on the consent before its withdrawal. In case consent is withdrawn, KN may only further process the personal data where there is another legal ground for the processing.

6. Rights of and complaints by KN Partner and Data Protection Contact

Any requests including those concerning access to, rectification or erasure of personal data restriction of processing, right to object to processing or any complaints can be addressed under <https://privacy.kuehne-nagel.com/dsar-form/>
